

PLEASE, PLEASE, DO NOT REPLACE ANY K-LOVE RADIO FREQUENCIES/STATIONS WITH ANY OTHER SIGNALS!

I have K-LOVE on every radio station in my home, work, and car because it IS "Positive and Encouraging"! No 'preaching' - just lots of uplifting music! Even my husband who is not a Christian enjoys the station! The Denver metro area has no other radio station like K-LOVE - we even have a station here that advertises on billboards as having "all NUDE broadcasting" - what kind of station is that!?! Several businesses I frequent play K-LOVE, and it

is so refreshing to be able to keep focused on a conversation while soothing music is playing in the background - rather than trying to yell over disgusting/raucous commercials or lewd lyrics blaring from every speaker.

PLEASE, DO NOT ALLOW THE REPLACEMENT OF K-LOVE STATIONS/FREQUENCIES WITH ANY OTHER SIGNAL(S)!!! Thank you so much for keeping all K-LOVE stations on the air!
